Welcome to Belsize Community Library!

Dear Guests,

We hope you have a safe and enjoyable visit.

We would ask that you take a few moments to familiarise yourself with the health and safety information in this leaflet. Your Winch host will be able to answer any queries that you may have regarding your visit.

The Winch Staff

**FIRE**

Do not attempt to fight any fire unless you have been trained to do so. Leave the building with your guests, if any, and make your way to the assembly point.

**ACCIDENT**

If there is an accident or Incident of any form (including near misses), please report it immediately to your host who will record it in the accident book. It is only by reporting that we can learn from incidents and improve our systems.

**EVACUATION**

In the event of an evacuation you must leave the building by the nearest available exit and proceed to the assembly point. The assembly point is at far side of Antrim Gardens. Fire Marshals are available to assist you during the evacuation. Please do not collect personal belongings. If you have guests, please take them and yourself directly to the assembly point and report to a Fire Marshall or Winch Host. Take your guest list or register with you. At the assembly point report your actions to the Fire Marshal. Remain at the assembly point until told it is safe to return to the building.

**FIRST AID**

If you require First-Aid there are trained First Aid staff in the library team. There is a First Aid box in the library. Your Winch Host will arrange for an ambulance to be called if it is necessary.
