WHAT OUR BENEFICIARIES SAY ABOUT THE IMPACT THE LIBRARY HAS ON THEM

The Library is a big part of my life, I have hired it for my music classes for many years, been a founding member of the craft group which is amazing, go to open mics whenever possible and always meet someone friendly whenever i go in.

Unlike other libraries Belsize is homely and welcoming, many different activities co exist there, it has family atmosphere. Staff so nice and helpful with a 'can do' attitude.

It's a beautiful building and should be preserved for the community to enjoy.
